

Q Center is proud to be a non-smoking facility.

The Smoke-Free Illinois Act (effective January 1, 2008) requires all public places and places of employment to be completely smoke-free inside as well as within 15 feet from all entrances and exits.

Q Center is in compliance with the Smoke-Free Illinois Act but has taken a number of steps to accommodate our guests who have a smoking preference. This includes providing smoking shelters at key public entrances/exits and, in accordance with the Act, providing a limited number of guest rooms to people with a smoking preference. These rooms are available on a first come first served basis.
