

Mileage Guide

JOGGING, BICYCLING, AND WALKING ROUTES

All mileage is approximate

NORTHERN ROUTE

Go north on the Fox River Trail

- ① Weber Drive marks 1.5 miles.
Take Weber Drive north to Villa Marie Road.
- ② Trail begins again at this point, which marks 2.5 miles.
- ③ The bridge over the river marks 3 miles.
This is approximately a six-mile round trip.

SOUTHERN ROUTE

Go south on the Fox River Trail to 3rd Avenue.

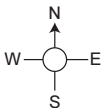

- ① St. Charles Rehabilitation Center marks 1 mile.
Take 3rd Avenue south to Route 64 (Main Street), go west on Route 64 (Main Street) to 1st Avenue.
- ② The intersection of 1st Avenue and Route 64 (Main Street) marks 2 miles. Cross Route 64 (Main Street) and continue south; cross Illinois Avenue and pick up sidewalk on east side of river.
Continue south on bicycle trail.
- ③ The sewer treatment plant just south of Langum Park marks 3 miles. The trail runs along Bennett Street in Geneva and turns west toward the river 1/2 block before Route 38.
- ④ The State Street bridge marks 4 miles.
Proceed under the State Street bridge and through Island Park.
- ⑤ Windmill east of trail marks 5.3 miles.
Cross bridge just south of Windmill to west side of river and continue south.
- ⑥ The Fabyan Parkway bridge (passed over trail) marks 6 miles.
- ⑦ Batavia Train Depot marks 6.9 miles.
Directly after passing depot, go east on Houston Street, south on Island Avenue, east on Wilson Street, north on North River Street. Bicycle trail continues north, returning to the Q Center. Round trip is approximately 14 miles.

ATTENTION: We recommend that these routes be used during daylight hours only. Plan your trip so that you return to the Q Center before dusk. For your own safety, please do not utilize highways.
